

An UPDATE for PARTNERS of FEED MY PEOPLE

Delivery day and shortened ordering window changes:

Thank you, thank you for hanging in there with our recent *Juneteenth* and *quarterly inventory* closures, as well as our upcoming holiday (*Happy 4th of July!*) closure. Updates on delivery day changes and shortened ordering windows were sent to those affected via email and are also posted on our website, under Network Partners (Status Alert). The changes are also listed under Partner Hub for your reference. These are great places to check and stay up-to-date on what is coming up at Feed My People.

As a general rule, changes will always be emailed out to partners 3-4 weeks before they happen so you are able to plan accordingly. Please mark your calendars with any changes as soon as you receive the email, to prevent your order from being deactivated.

If you have questions, please reach out to Lisa at 715.835.9415 ext. 108 or lisa@fmpfoodbank.org and she would be happy to help you.

The Fairchild Food Pantry is "SOUP"er!

This is the Fairchild Food Pantry's "Team Captain" Joyce Bratsven. Joyce is their leader at the Senior Living complex right in Fairchild.

Why Joyce? They usually see volunteers being younger people and she is 92 and still going strong! As the director of the food pantry, Joyce was asked what team captain means to her. She responded, "I get to help people, and FMP is such a great program for those who need it." The residents who don't have transportation are so happy to receive the food they rely on. 9-10 food boxes are delivered to the gathering room, and Joyce makes sure the residents receive their items and ensures the count is always correct. If someone is gone or delayed, Joyce will put their cold items in the kitchen fridge and freezer.

At the "young-old age of 92" she still has so much to give and has lots of fun doing it! She even has an "IN" with Santa! (See Picture)

Thank you to Joyce, and all the "Soup"er-hero volunteers at the Fairchild Food Pantry!

Happy Summer! Savor the Season

Tis the season to enjoy bright and colorful summer produce! Whether you are getting produce from Feed My People, a local farmers' market, or a garden, this is the ideal season to savor the rich flavors of many fruits and vegetables.

Click on the link below to learn about, teach about, and find recipes and nutrition information for summer produce for your guests and neighbors.

Meet Our Team!

Have you ever wondered who is behind the scenes at FMP?

Here is your chance to get to know our staff a little better. Each month we will highlight someone new.

This month, meet **Rin!** Rin is our *Partnership and Food Rescue Coordinator*. She communicates with our partner agencies in a variety of ways, specifically focusing on food rescue (that is, working with retailers to donate extra, good food rather than let it go to waste.) Rin loves getting to meet people, both agency/program partners and food retailers!

Here are some of Rin's interests:

- Music
- Fantasy (books, renaissance festivals, D&D)
- The outdoors (hiking! gardening!)
- Bad jokes "What is a pirate's least favorite vegetable? Leeks!" :)
