

An UPDATE for PARTNERS of FEED MY PEOPLE

Reminders for our Partners...Please note:

Annual Agency Agreements for 2025 coming to your inboxes soon:

If you are the Agency that holds the 501c3 or are a Direct Program of FMP, you will be receiving your Annual Agency Agreement for 2025 soon. Please be checking your mail, as we will be sending this to the billing address we have on file. After you sign it, you can either send it back to us in the mail or scan it and email it back to us. Thank you in advance for your timely attention to this.

Thanksgiving Delivery Changes:

Feed My People will be CLOSED for Thanksgiving November 28-29. If this affects your ordering window or delivery, you were sent an email from *Ashley Anderson* earlier this week (11/13). Please check your email and mark your calendar with any changes to avoid your order being cancelled.

Customer Pick-Up:

When placing orders for pick-up, **ALL** product on that order must be picked up on the same day, even if multiple trips are needed.

Instead of placing one large order, that may not be able to be picked up on the same day, please submit separate, smaller orders - one order for each separate pick-up date.

Whenever placing an order for customer pick-up, please note the date and time you plan to pick up in the ***Delivery Pickup Notes*** before submitting your order.

Delivery Responsibilities:

Your driver's responsibility is to unload your pallets and place them on the ground. As soon as the products are off the truck, the driver should be on their way to their next stop to keep everyone on the route happy and receiving their deliveries on time.

Please arrange for enough volunteers to carry the food into your facility. As a rule of thumb, you should have a *minimum of two volunteers per pallet of food ordered*.

New Pantry Space:

Please alert us if you plan to move your food from your current, approved space, whether it's a brand new remodeled space in the same building or a completely new location. Any moves require FMP to approve your new space before food is brought into it.

We have loads of great DONATED products to highlight!

Good thing Thanksgiving is right around the corner, because we have plenty of potatoes for you!

Our several totes of **POTATOES** come in 10 - 5lb. bags. Order them while you can using **DN700163**.

We also recently got a large delivery of **CHEESE**! Each case contains 20/2 lbs. blocks of cheddar cheese. Order by using **DN701766**. **Please note:** The individual blocks are *unlabeled*, so you will need to copy the ingredient/distribution label on the outside of the box and include this information with each individual block of cheese you distribute.

Do you need individual **KETCHUP** packets? We have several cases to move. There are 600 ketchup packets per case. Please use **DN700319** to order.

Partner Proud!

Featuring: Abbotsford Area Collective Team

"My name is Olga Rodriguez. I am a volunteer that helps to serve the food you kindly send to Abbotsford every Thursday. I do appreciate a lot this food because it helps my family and me to eat better, and have enough money to pay our rent and bills. It is a great blessing to have you, and I am extremely grateful to every person that helps us doing this service, please keep sending us the food. Thank you again."

Thank you for all you do to feed our neighbors in need. We couldn't do what we do without you, Olga, and the entire Abbotsford Area Collective Team at Saint Bernard's Church!

Meet Our Team!

This month, meet **Rex Olson Jr.** Rex is part of our Warehouse Team. He moves and unloads trucks, drives to Bimbo, and sweeps and mops the warehouse floor. Rex enjoys his work and the people here at Feed My People.

A **Fun Fact** about Rex is he is rarely sick and misses very few days of work. We can always count on Rex to be here and to be working hard for us and for you!
